Instructions for Application

Who is eligible

Property may qualify for class 4c(3)(ii) and the corresponding class rate if it is owned by a “nonprofit community service oriented organization,” is not used for residential purposes on either a temporary or permanent basis, and:

- The organization makes annual charitable contributions and donations at least equal to the property’s previous year’s property taxes (excluding the state general tax) and the property is allowed to be used for public and community meetings or events free of charge.

A “nonprofit community service oriented organization” is any corporation, society, association, foundation, or institution organized and operated exclusively for charitable, religious, fraternal, civic, or educational purposes, and which is exempt from federal income taxation pursuant to section 501(c)(3), (10), or (19) of the Internal Revenue Code of 1986, as amended through December 31, 1990.

How to apply

Complete the entire application fully and legibly. Mail the application and required attachments to your county assessor by September 1 (2008 only). Applications must be completed annually.

Future applications will be due by May 1.

Required attachments

You must attach to the application a copy of the property’s previous year’s property tax statement. You must also provide documentation of that same year’s charitable contributions and donations by attaching a Form LG1010 Schedule C/D to the application. At a minimum, you must provide copies of the Form LG1010’s that are used to demonstrate that the organization’s charitable contribution amount is equal to the property’s previous year’s property tax. For example, if it took three months for the charitable contribution amount to equal the previous year’s property tax, only those three Form LG1010’s would need to be attached to the application.

Please note: Not all expenditures on the Form LG1010 qualify as charitable contributions.

Assessor may request additional information

The county assessor may request, at any time, for an organization to provide a copy of an IRS letter granting exempt status as a 501(c)(3) corporation (or an explanation of why the letter is not available), and records of its charitable contributions and donations and of public meetings and events held on the property to ensure eligibility.

What are charitable contributions and donations?

“Charitable contributions and donations” has the same meaning as lawful gambling purposes under section 349.12, subdivision 25, excluding those purposes relating to the payment of taxes, assessments, fees, auditing costs, and utility payments. On a form LG1010, “charitable contributions” are defined as expenditures coded A-1 to A-7, A-10, A-11, A-13, A-14, A-15, and A-19. Only expenditures with these codes qualify as charitable contributions when the county assessor determines if an organization has made charitable contributions in an amount equal to the previous year’s property tax.

Some of the information contained on this form may be shared with the county assessor, county attorney, the Commissioner of Revenue or other federal, state, or local taxing authorities to verify your eligibility.
