

*INVITATION TO COMMENT ON
Dunn Bridge Replacement*

The St. Paul District Corps of Engineers is evaluating a permit application in connection with the replacement of the Dunn Bridge in the City of Princeton. Mille Lacs County has proposed replacement of the bridge due to its structural deterioration and design obsolescence. This evaluation includes a review pursuant to section 106 of the National Historic Preservation Act, which requires federal agencies to consider ways to avoid, minimize, or mitigate adverse effects on historic properties. The Dunn Bridge is an historic property. The public is invited to provide their views on the replacement of this historic bridge including views on potential mitigation for the loss of this bridge.

Comments may be sent to: Mr. Brad Johnson, U.S. Army Corps of Engineers, 190 Fifth Street East, St. Paul, Minnesota 55101-1638, or by calling (651) 290-5250.

Comment period will end March 1st.
